INTRODUCTION

MCNA Dental (MCNA) has a contract with the Florida Agency for Health Care Administration to provide dental services to people with Medicaid. This is called the Florida Dental Health Program (DHP). You are enrolled in our dental health plan. This means that we will offer you Medicaid dental services. We work with a group of dental providers to help meet your dental needs.

At MCNA, we care about your smile. It is important to us that our members know how to take good care of their teeth. The first step is to pick a dentist from this Provider Directory to meet your dental needs. The dentists in this Provider Directory are contracted with us to offer dental services. The Directory also tells you which dentist you can go to when you need special dental care. You can pick from one of our dentists who are located close to where you live or work. You can also pick a dentist that speaks the same language as you. For the most up-to-date listing, you can also find a dentist online. Our website is: <http://www.mcnaFL.net>

Some dentists may choose not to perform certain services based on religious or moral beliefs. In these cases, you must call the State's Enrollment Broker at 1-877-711-3662 (TDD 1-866-467-4970). The Enrollment Broker will help you find a provider for these services.

If you have questions or want an up-to-date provider listing, call our Member Hotline at **1-855-699-6262** (TTY 1-800-955-8771). It is available Monday to Friday, 8 a.m. to 8 p.m.

This information is available for free in other formats.
Please contact our Member Hotline at 1-855-699-6262 (TTY 1-800-955-8771), 8 a.m. — 8 p.m., Monday through Friday.
